

WRH HIGH PERFORMANCE WORKRIBS HOLLAND

WORKRIBS HOLLAND

SPECIFICATIONS

Capacity

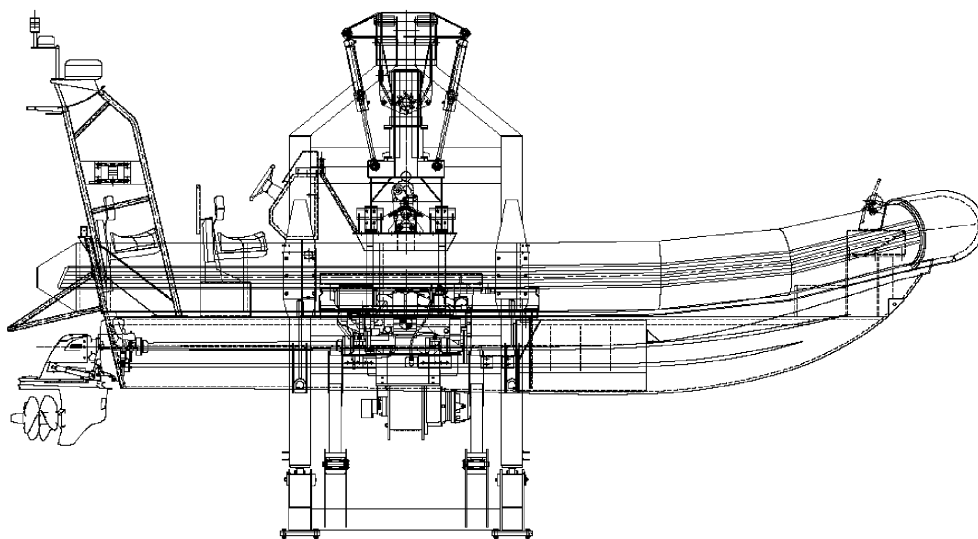

Maximum number of persons	On request
Maximum load	On request
Useable deck area	On request
Volume buoyancy tube	On request

Dimensions/Weight

Overall length	On request
Inside length	On request
Overall beam	On request
Inside beam	On request
Weight empty incl. fuel excl. engine(s)	On request
Maximum engine(s) weight	On request
Buoyancy tube diameter	On request
Number of buoyancy tube compartments	On request

Propulsion

Outboard engine(s)	On request
Minimum engine power	On request
Maximum engine power single	On request
Maximum engine power twin	On request

Constructions

Hull	GRP
Tube	1670 dtex 1500g/ m ² hyalon coated neoprene
Console	Coated seawater resitant aluminium
Seating arrangement	Coated seawater resitant aluminium

General

Fuel	On request
Steering	Hydraulic
Electrical systems	12 Volts DC

Performance

Maximum speed	On request
---------------	------------

STANDARD PART AND ACCESSORIES LIST

HIGH PERFORMANCE

	INBOARD	OUTBOARD
Tube		
Commercial heavy duty tube	s	s
All available standard colours	s	s
Styling (mixed colours)	i/c	i/c
Full foam tube	o	o
Foam air tube	o	o
Pressure safety valves	s	s
Inflation valves	s	s
Safety chambers	i/c	i/c
Double rubbing stake black	s	s
Additional rubbing stake black	o	o
Tube transom straps (set 2pc.)	s	s
Additional tube transom straps (set 2 pc.)	o	o
Bow protector	s	s
Bow protector high impact. (sandwich construction)	o	o
Life line inside	s	s
Life line outside	s	s
Paddle holders (Inc. wooden paddle set 2pc)	o	o
Non-skid on top of tube	o	o
Rescue cradle attachment (set 2pc.)	o	o

	INBOARD	OUTBOARD
Reflection tape	o	o
Characters capital letter	o	o
Storage bag (mounted on tube)	o	o
Grabbing handle (black neoprene)	o	o
Grabbing handle (styled)	i/c	i/c

S = Standard o = Option i/c = In consideration with customer

Hull

Commercial heavy duty hull	s	s
All available colours	s	s
Granulate non-skid deck	s	s
Stainless towing eye 1x front 2x aft	s	s
Self-bailer hose, round 100 (set 1pc.)	s	s
Freeman hatch in deck ¹	o	o
Strap down U bold (storage bow box)*	o	o
Reflection tape	o	o
Storage bow box	o	o
Waterproof under deck cable routing	s	s
Lifting eyes with lifting sling (set 4pc.)	o	o
Single fuel tank under deck	i/c	i/c
Double fuel tank under deck	i/c	i/c
Electronic fuel sensor and meter	s	s
Fuel water separating filter	s	s
One way breather with shutoff valve	s	s
Feet straps	o	o

S = Standard o = Option n/a = Not Available i/c = In consideration with customer

*** Only in combination with storage bow box**

¹ All the freeman hatches will be places above watertight compartments in the GPR hull with drain plug

Console and seating

All standard seats from the Workribs program	o	o
All standard consoles from the Workribs program	o	o
Neoprene backrest and seat cushions	s	s
All seat from the ullmann program	o	o
All consoles from the ullmann program	o	o

	INBOARD	OUTBOARD
All seats from the shockwave program	o	o
All consoles from the shockwave program	O	O
Electronic fuel sensor and meter	S	S
Compass mounted on console	S	S
Hydraulic steering system	S	S

S = Standard o = Option n/a = Not Available i/c = In consideration with customer

Engine and rigging

All available outboard engines brands	n/a	i/c
All available inboard engine brands	i/c	n/a

S = Standard o = Option n/a = Not Available i/c = In consideration with customer

N- Frame

Double n-frame	i/c	i/c
Navigation light protection bar	S	S
Antenna/ top light platform	S	S
Top light base	S	S
Self-righting system	O	O
Radar reflector	O	O
All electrical equipment available	i/c	i/c

S = Standard o = Option n/a = Not Available i/c = In consideration with customer

Electrical

Led navigation lights (red/green/white)	S	S
Spare led bulb	O	O
Waterproof electrical distribution box	S	S
Single battery system	S	S
Main switch	S	S
Backup battery system. battery, battery box, emergency switch*	O	O
Waterproof fuse box (5 fuses)	S	S
Waterproof fuse box (6 ore more)	O	O
VHF (antenna included)	O	O
External loudspeaker VHF	O	O
GPS top mound	O	O

	INBOARD	OUTBOARD
GPS	o	o
Multifunctional screens	o	o
Ais	o	o
Radar systems	o	o
Flashing lights	o	o
Deck lights (set 2pc.)	o	o
Boarding lights	o	o
Docking lights	o	o
Handheld search light ¹ mounted on console	o	o
C 2000 system (only available for Dutch government)	o	o
UHF (Scrambled or unscrambled)	o	o
Waterproof switch (1 pc)	s	s
Horn ¹	o	o
Headsets	o	o
All other available equipment	o	o
Crewfinder	o	o

S = Standard o = Option n/a = Not Available * Standard on twin engine

¹ waterproof switch and indication plate included

General

Foot pump	s	s
Paddles adjustable	s	s
Tube repair kit	s	s
Toolkit	s	s
Jason cradle large	o	o
Jason cradle small	o	o
SOLAS package	o	o
User's manual	s	s
Spare-parts list	s	s
Electrical inflation pump	o	o
Overall cover	o	o
Console cover	o	o
Fire extinguisher 2kg	s	s

S = Standard o = Option

Note! If our standard configuration don't match your needs please check our custom builds.
